Dear MPC,

Please vote NO on # 44. We do not need these apartments in our community. We live across the street and our Granddaughter will be going to the new school. Traffic is already a problem and school hasn't even started. How would you like 260 apartments in your neighborhood and across from a primary school. This was not what was promised in the original plans. This is just about money. Please protect our neighborhood and school.

PLEASE VOTE NOT.

THANK YOU VERY MUCH,

Roger Cass

As a resident in the the Northshore Town Center area I would like to request the MPC members please oppose and vote NO to sector changes Fournoy wants to make as it comes before the Commission in item 44. The MPC stand with the community would certainly be appreciated.

Sincerely,
