

**Plan amendment/rezoning requests are posted approximately 30 days before each MPC meeting.**

**When the preliminary agenda is posted, 2 weeks before the meeting, the PA/RZ announcement is removed from the website because it no longer contains the most current information.**

**If you are seeing this notice, please check the [preliminary agenda](#) (2 weeks before the meeting) or the [agenda package](#) (1 week before the meeting) for the latest meeting information.**
