REZONING REPORT

FILE #: 3-H-20-RZ
AGENDA ITEM #: 16
AGENDA DATE: 3/12/2020

APPLICANT: SCOTT DAVIS / MESANA INVESTMENTS, LLC
OWNER(S): Daniel & Lisa Green - John & Jennifer Little

TAX ID NUMBER: 144 112.02 (PART OF)
JURISDICTION: County Commission District 5
STREET ADDRESS: 0 Coile Ln.

LOCATION: South end of Coile Ln., west of Staffwood Rd., north of Bluegrass Rd.

APPX. SIZE OF TRACT: 17.03 acres
SECTOR PLAN: Southwest County
GROWTH POLICY PLAN: Planned Growth Area
ACCESSIBILITY: As of the publication of this staff report, no access has been demonstrated by the applicant.
UTILITIES:
- Water Source: First Knox Utility District
- Sewer Source: First Knox Utility District
WATERSHED: Ten Mile Creek

PRESENT ZONING: A (Agricultural) for 9.4 acres only
ZONING REQUESTED: PR (Planned Residential)
EXISTING LAND USE: Agriculture/forestry/vacant

DENSITY PROPOSED: 5 du/ac
EXTENSION OF ZONE: PR is adjacent to the east and south.
HISTORY OF ZONING: None noted.
SURROUNDING LAND USE AND ZONING:
- North: Agriculture/forestry/vacant, rural residential - PR (Planned Residential)
- South: Agriculture/forestry/vacant - PR (Planned Residential)
- East: Single family residential - PR (Planned Residential)
- West: Rural residential - A (Agricultural)
NEIGHBORHOOD CONTEXT: This area consists primarily of single family residential neighborhoods developed as a mix of RA and PR zone districts. Several remaining tracts of large lot agricultural zoned lands are also interspersed throughout.

STAFF RECOMMENDATION:

Staff recommends postponement for 30-days until the April 9, 2020 Planning Commission meeting, until documentation of access can be provided by the applicant for the overall areas proposed for rezoning.

COMMENTS:
Staff recommends postponement for 30-days until the April 9, 2020 Planning Commission meeting, until
documentation of access can be provided by the applicant for the overall areas proposed for rezoning.

ESTIMATED TRAFFIC IMPACT: 519 (average daily vehicle trips)

Average Daily Vehicle Trips are computed using national average trip rates reported in the latest edition of "Trip Generation," published by the Institute of Transportation Engineers. Average Daily Vehicle Trips represent the total number of trips that a particular land use can be expected to generate during a 24-hour day (Monday through Friday), with a "trip" counted each time a vehicle enters or exits a proposed development.

ESTIMATED STUDENT YIELD: 19 (public school children, grades K-12)

Schools affected by this proposal: A. L. Lotts Elementary, West Valley Middle, and Bearden High.

• Potential new school population is estimated using locally-derived data on public school student yield generated by new housing.
• Students are assigned to schools based on current attendance zones as determined by Knox County Schools. Students may request transfers to different zones, and zone boundaries are subject to change.
• Estimates presume full build-out of the proposed development. Build-out is subject to market forces, and timing varies widely from proposal to proposal.
• Student yields from new development do not reflect a net addition of children in schools. Additions occur incrementally over the build-out period. New students may replace current population that ages through the system or moves from the attendance zone.

If approved, this item will be forwarded to Knox County Commission for action on 4/27/2020. If denied, Knoxville-Knox County Planning Commission's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal a Planning Commission decision in the County.
Mesana Investments

FYI - Mr. Davis is also requesting a 30-day postponement of 3-H-20-RZ 2-E-20-RZ 2-F-20-RZ

Liz,

As a follow up to our recent conversation, I spoke with Mrs. Hopson and we respectfully request a postponement to the April meeting for the Bluegrass Road rezoning, as well as the Coile Lane rezoning. I am meeting with Mrs. Hopson again this Sunday to go over their issues and/or concerns.

Thank you,

Liz

Hi Scott -

The general provisions of the Knox County Zoning Ordinance reference the Knoxville-Knox County Minimum Subdivision Regulations related to access to a public road (3.40.02). Recommending an amendment to the zoning map for a zone district to increase the residential building potential of a piece of property that does not have access to a public road/soor does not appear to conform with the intent and purpose of the Planned Residential zone district (See sections: 6.30.01.B and 5.13.01).

If you could provide documentation that demonstrates compliance with the access standards of the Knoxville-Knox County Minimum Subdivisions Regulations (See section 3.03.D.3.) for the areas requested to be rezoned from Agricultural to Planned Residential it would be greatly appreciated and would help staff document accessibility of the tracts for increased residential development.

Please feel free to contact me if you have any questions.

Thanks,
-Liz

On Mon, Feb 24, 2020 at 2:12 PM Scott Davis <swd444@gmail.com> wrote:
To my knowledge, this would not need to be rezoned or advertised due to the fact there will not be any homes on this portion of property. You can have a road or ROW in RA connecting to PR.

Thank you.

Thanks for messaging back so quickly. I've circled in red the area that I assume you may be seeking access through in some capacity since you mentioned a Bluegrass Road access (see below) -- however, this area hasn't been publically noticed as part of the land area with any of the rezoning applications.

See March agenda cases: https://www.kgis.org/Maps/PlanningCases.html?layerTheme=0&scale=2400&basemap=em9uaW5n&center=2538997.6844500224%2C567160.4717551452&layers=1Pocd12MGXNV27EbB02Vu%2F69

If you want to modify any of your applications to include this additional area, please let me know by close of business on Thursday (2/27/20). Also since this area hasn't been advertised you'll need to request a postponement, modify your application(s) and we'll need to readvertise to include this area. If you have any questions or if I can help in any way, please let me know.

Thanks!

Thank you. We intend to access via Bluegrass Road. We are working with the neighbors there.

Hi Scott -

I have some questions regarding access for the upcoming rezonings:

3-H-20-RZ
2-E-20-RZ
2-F-20-RZ

We met as a staff to review these and still have concerns about where the access is going to be since there isn't adequate frontage for any of the property currently shown in the rezonings, except for the one along Bluegrass Rd at 9145 (2-F-20-RZ), but 3-H and 2-E still don't have adequate frontage for access.

Hope to hear from you soon.

Thanks,
-Liz

From Hillside & Ridgetop Protection Plan, page 33

LOW DENSITY AND RURAL RESIDENTIAL USES

Density and Land Disturbance Guidelines
As proposals for changes to the zoning map and development plans/concept plans are considered, the following factors are recommended to determine the overall allowable density for residential rezonings and the overall land disturbance allowable in new development or subdivisions for those portions of parcels that are within the Hillside and Ridgetop Protection Area. These factors should be calibrated as regulations in the future. The areas of the Growth Policy Plan referenced below are presented on page 18.

<table>
<thead>

* These factors should be considered guidelines to determine an overall recommended residential density for requests for changes to the zoning map to planned residential (RP-1 in the city and PR in the county) zone districts that are considered by the Metropolitan Planning Commission prior to being considered by the appropriate legislative body. The resulting zone district development right would be considered a budget for dwelling units to be applied over the entire proposed development.

** Until such time as regulations are codified by the appropriate legislative body, these factors should be considered guidelines to determine an overall recommended land disturbance area for development plans and concept plans that are considered for approval by the Metropolitan Planning Commission. The overall land disturbance area would be considered a budget for land disturbance to be applied over the entire proposed development.

*** Ridgetops are generally the more level areas on the highest elevations of a ridge. Because the shapes of Knox County ridges are so varied (see pages 8 – 9), the ridgetop area should be determined on a case by case basis with each rezoning and related development proposal.

REQUIRED SIGN POSTING AGREEMENT

For all rezoning, plan amendment, concept plan, use on review, right-of-way closure, and street name change applications, a sign must be posted on the subject property, consistent with the adopted Administrative Rules and Procedures.

At the time of application, staff will provide a sign(s) to post on the property as part of the application process. If the sign(s) go missing for any reason and need to be replaced, then the applicant will be responsible for picking up a new sign(s) from the Planning offices. The applicant will be charged a fee of $10 for each replacement sign.

LOCATION AND VISIBILITY

The sign must be posted in a location that is clearly visible from vehicles traveling in either direction on the nearest adjacent/frontage street. If the property has more than one street frontage, then the sign should be placed along the street that carries more traffic. Planning staff may recommend a preferred location for the sign to be posted at the time of application.

TIMING

The sign(s) must be posted 15 days before the scheduled Planning Commission public hearing and must remain in place until the day after the meeting. In the case of a postponement, the sign can either remain in place or be removed and reposted 15 days before the next Planning Commission meeting.

I hereby agree to post and remove the sign(s) provided on the subject property consistent with the above guidelines and between the dates of:

Feb 26, 2020 and March 13, 2020

(15 days before the Planning Commission meeting) (the day after the Planning Commission meeting)
