Subject: Contact Planning meeting scheduled for Thursday September 10th 1:30pm

To: &lt;contact@knoxplanning.org&gt;

Please add myself to a zoom meeting Thursday September 10, 1:30pm. My name is Lorrie McCullough and I'm interested in speaking in regards to the Special Use agenda regarding the property located at [2317 Peachtree Street](#) in South Knoxville.

I live next door to the said location and do not wish for a duplex to be built on this property considering the lot size isn't wide enough for the duplex to face the street, therefore the special use would need to have one face the street and one face my back yard being land locked unless they're were an over use of asphalt on this lot to allow a driveway right on my property line which will take my privacy away. This will not be in character with this older well established neighborhood. My back yard shouldn't face the front yard of another home. I look forward to joining the meeting tomorrow.

Sincerely,  
Lorrie McCullough
