CONCEPT PLANS

#10 Dutchtown Subdivision – Green River Holdings, LLC (10-SF-15-C/10-E-15-UR) – This is a request for a 101 lot subdivision on 24.62 acres between Dutchtown Rd. and Bob Gray Rd. There may be disagreement about connecting to an adjacent subdivision stub street. (Brechko)

#11 Mercury Drive Subdivision – Homestead Land Holdings, LLC (11-SA-15-C/11-G-15-UR) – This is a request for an 11 lot subdivision on 2 acres near Yarnell Rd. and Lovell Rd. There may be opposition to this request. (Brechko)

FINAL PLATS

ONE final plat is recommended for denial

REZONINGS

#32 Scott Davis (11-C-15-RZ) – Request for rezoning from A to PR at a density of up to 5 du/ac. Staff is recommending a lesser density of up to 3 du/ac for better compatibility with surrounding uses. There may be neighborhood opposition, including a desire to postpone 30 days, in order to talk with the developer. (Reynolds)

#37 M & M Partners (11-I-15-RZ / 11-D-15-SP) – These are requests for a sector plan amendment from Ag/RR to LDR and rezoning from A to PR at a density of up to 4 du/ac. The property is in the Rural Area on the Growth Policy Plan and has slope constraints, so staff is recommending denial of the sector plan amendment and a lesser density of 2.5 du/ac. (Reynolds)

USE ON REVIEWS

#44 George Ewart (11-E-15-UR) - Request for use on review approval of El Charro restaurant in the C-1 zoning district on Sutherland Ave. There is neighborhood opposition to this proposal. (Green)

#45 Aggregates USA, LLC (11-F-15-UR) – Expansion of mining operations in the I and A zoning districts near I-75/Raccoon Valley Rd. interchange. (Reynolds)
